

# Award Letter Explanation

Investing in you is the single greatest investment you'll ever make. That is why we want to make sure you have all the information you need to make an informed investment for your future.

Here is what you need to know:

- 1 INITIAL COST** of tuition, fees, room and board before any aid is applied.
- 2 FREE MONEY** that does not need to be repaid. This can consist of Bluffton scholarships and grants and federal and state aid.
- 3 BORROWED MONEY** that does have to be repaid. Students become eligible for these loans just by completing the FAFSA. Other documents are required to receive the loans and will show in the missing items section (see #6).
- 4 TOTAL NET PRICE** that is owed after all aid is applied. This does not include any additional outside scholarships that the student may receive.
- 5 ADDITIONAL AID OPTIONS** to cover net price cost consist of Bluffton University student jobs, Parent PLUS or private loans. Loan options require additional steps by the student or parent and will show in the missing items section (see #6).
- 6 DOCUMENTS** that are needed to finalize the financial aid package. Award packages are subject to change until these documents are submitted.
- 7 VIEW THE AWARD LETTER** and any revisions through the student portal. Students can also see any missing documents and accept, decline or reduce their aid.
