

Summer Discovery Grant Faculty/Staff Recommendation

The student listed below is applying for a Discovery Grant offered to current first year and sophomore students to encourage personal and theological exploration of vocation. The student will be expected to complete the following grant activities:

- Self-design an experience that will allow the student to engage in the personal and theological exploration of vocation. The experience is expected to last 4-6 weeks.
- Provide a PowerPoint slide show, brief essay, or other form of reflection of the vocational discernment process as a result of the summer experience and an evaluation of the program by the end of the following fall semester.
- Share something about the experience during the spring semester.

There will be an attempt for grant recipients to represent the gender, racial, ethnic, and denominational diversity of our student body.

Name of student _____
